MANAGEMENT SYSTEM CERTIFICATE

For the purpose of this certificate, the organization is deemed to be conforming to the requirements of the respective Management System Standard only with TNV's
approval and supervision.
The organization is responsible for maintaining its system in accordance with the respective Management System Standard and for notifying TNV of any
changes to the system.
The organization is responsible for ensuring that the TNV and accreditation bodies (if any) have access to the organization's records and information for the purpose
of verification and certification. The organization must be notified with any changes to the organization's structure, management system or other information that may affect the
certification.
